

VSS 2026 Schedule Organizer

1,191 presentations · Search · Build your schedule · Export to Calendar

OPTION 1

Web Version

Simplest — no account required

markwgreenlee.github.io/vss-2026-scheduler

Open in any phone browser. No app or account needed. Google Calendar export included.

Add to home screen: Share → Add to Home Screen (Safari) or ■ → Add to Home Screen (Chrome)

Tip: load before arriving — works offline after first load even on slow WiFi.

OPTION 2

Expo Go App

Apple Calendar export · Free account required

Requires a free Expo account (one-time setup)

1. Install Expo Go (App Store or Google Play)
2. Tap Log in → Sign up (Google, Apple, or email)
3. Scan this QR code with your Camera app
4. Tap the notification — app opens automatically

Returning users: just scan the QR code.
