

VSS 2026 Schedule Organizer

1,191 presentations · Search · Build your schedule · Export to Calendar

OPTION 1

Web Version

Simplest — no installation required

markwgreenlee.github.io/vss-2026-scheduler

Open in any phone browser. No app or account needed. Google Calendar export included.

Add to home screen: tap Share → Add to Home Screen (Safari) or ■ menu → Add to Home Screen (Chrome)

Tip: load the app before arriving at the venue so it is cached and works on slow conference WiFi.

OPTION 2

Expo Go App

Full features · Apple Calendar included

Install Expo Go — then scan with Camera app

iPhone: Camera app → scan → tap notification

Android: Expo Go → Scan QR Code No login required.

If Expo Go asks you to log in, skip it — just scan the QR code with your phone's Camera app.

Works offline after the first load.
